# Mission And Vision

## Our Vision

To become a global leader in intelligent business ecosystems, where Artificial Intelligence, finance, real estate, and technology come together to create sustainable wealth, smarter decisions, and long-term growth for individuals and enterprises worldwide.

## Our Mission

To create practical, scalable, and sustainable business solutions that help individuals and enterprises grow with confidence in a rapidly evolving global economy.

# SERVICES

## Forex Trading & Education

(Courses, Mentorship, and live trading sessions).

## Crypto Consultation

(Insight, Strategies, and Risk Management).

## E-Commerce Solutions

(Setting up and Scaling Online Businesses).

# SERVICES

## Real Estate

A Dubai-based real estate project focused on strategic development, value creation, and long-term growth.

## Tokenization

Revolutionizing ownership across industries like Hotels, Restaurants, Bars, Clubs, and Movies by converting real-world assets into digital tokens.

## Land Fractionalization

It divides a large property into smaller, more affordable plots for individual sale. This unlocks significant profit by selling to a broader market of smaller buyers at a higher combined price per acre.

		7	Up to 14 Levels
		8	Up to 16 Levels
		9	Up to 18 Levels
		10	Up to 20 Levels

## Conditions :

- Minimum participation for an eligible direct associate: \$100.
- Rewards remain active only while the associated network generates eligible activity.
- All rewards are subject to audits, compliance checks, and platform rules.
- Aurx reserves the right to modify, pause, or discontinue any program component.
- All associate rewards are participation-based, performance-linked, variable, and discretionary.
- Past performance does not indicate future results.

# Rank & Royalty

- Rank qualification is reviewed monthly based on verified activity data.
- Associates must maintain the required criteria to remain eligible for rank-based rewards.
- Failure to maintain eligibility may result in temporary or permanent loss of rank benefits.

# Rank-Wise Royalty Income Plan

Upto

1%

Of total Global  
Turnover for each  
Rank

Pool is equally distributed among rank  
achievers.

## Note

- Each rank's royalty pool is shared equally among all eligible associates who have achieved and maintained that rank during the evaluation period.
- Allocation percentages represent maximum potential limits and are not guaranteed.

# Royalty Reward Distribution

- Royalty rewards are performance-linked, variable, and non-guaranteed.
- Actual royalty amounts depend on:
  - Total global platform turnover
  - Number of eligible rank achievers
  - Platform performance and liquidity
  - Compliance and audit verification
- Royalty rewards, if applicable, are credited periodically (e.g., monthly) to the associate's platform wallet, subject to applicable policies.
- Important Notes :
  - Royalty rewards are not fixed income and may vary from period to period.
  - Aurx reserves the right to modify, suspend, or discontinue royalty pools, rank criteria, or distribution schedules without prior notice.
  - Business volumes include eligible, verified platform activity only.

# BOOSTER REWARD PROGRAM

(Performance-Based | Time-Bound)

Time Window	Eligibility Condition	Booster Increase (Max)
0-24 hours	Introduction of two (2) eligible participants with the same participation amount	Up to + 50%
24-48 hours	Introduction of two (2) eligible participants with the same participation amount	Up to + 40%
48-72 hours	Introduction of two (2) eligible participants with the same participation amount	Up to + 30%
72-96 hours	Introduction of two (2) eligible participants with the same participation amount	Up to + 20%
96-120 hours	Introduction of two (2) eligible participants with the same participation amount	Up to + 10%

# Booster Reward Application

- Booster increases apply only to the associate's existing eligible reward percentage.
- Booster rewards are temporary and conditional, subject to platform rules.
- Booster benefits may be limited, adjusted, paused, or withdrawn based on system performance and policy review.
- Booster rewards do not guarantee higher earnings.
- Booster qualification must be achieved within the specified time window.
- Booster benefits do not apply retroactively.

## Example :

If an associate has a base monthly reward potential of up to **5%**,

And qualifies for a **50% booster**,

The booster may increase the reward potential by up to **2.5%**,

Resulting in a total potential monthly reward of up to **7.5%**,

subject to performance and eligibility.

Actual reward percentages may vary.

# Terms & Conditions

## 1. Reward Limitation for Non-Active Associates :

Associates who do not actively participate in platform-defined activities may have their total cumulative rewards capped at up to Two (2X) times of their individual self-participation amount.

Reward limits are subject to eligibility, verification, and platform rules.

## 2. Maximum Reward Cap for Active Associates :

For associates who actively engage in eligible participation activities, the combined total rewards from all sources (including participation rewards, referral rewards, booster incentives, and rank-based rewards) may be capped at up to five (5x) times of the associate's self-participation amount.

Reward caps represent maximum potential limits and are not guaranteed.

## 3. Re-Participation / Re-Activation Policy :

Once an associate reaches the applicable maximum reward cap (2X or 5X, as determined by participation status), the associate may choose to activate a new participation package in accordance with platform policies in order to continue participating in reward programs.

Re-participation is optional and subject to prevailing terms, eligibility criteria, and compliance checks.

# Terms & Conditions

## 4. Withdrawal Charges :

A 5% administrative processing fee may be applied to each approved withdrawal request. Withdrawal fees may be revised at the platform's discretion for operational or compliance reasons.

5. General Conditions\* All rewards are performance-based, variable, and non-guaranteed.\* Reward outcomes depend on participation activity, platform performance, system conditions, and market factors. Aurx reserves the right to modify, suspend, or update policies, reward structures, limits, and fees to ensure sustainability, compliance, and operational integrity.\* Participation in the platform does not constitute an investment, insurance product, employment arrangement, or guaranteed income program. Aurx does not provide investment products, insurance services, or assured returns.

**All participation and reward programs are discretionary, performance-linked, and subject to platform rules, eligibility verification, and applicable laws.**
